[RUSH] MESSAGE:

Continuing data Serial No. 09/809,218 is listed in the
specification, but has not been given a relationship
(cont, cfp, etc) to this file.

Thank you

[XRUSH] RESPONSE: There is no continuation between the two applications
Paragraph [0001] intends to claim the same priority of 09/809,218 which
both of these applications claimed on Foreign priority (Canada 2,323,881
filed on 10/18/2000), and does not indicate a continuation. However,
an Examiner's amendment has been made to clear up the confusion.
